

Tampa Bay Christian Academy  
2014-2015 Summer Reading Requirements

Each child at TBCA is expected to complete certain requirements. Below are the requirements for grades K5-6<sup>th</sup> Grade (Lower School). Workbooks can be found at [summerbridgeactivities.org](http://summerbridgeactivities.org) , Amazon.com or most major book stores. You may purchase either version listed below. Assignments will count as a grade for the first semester. Have your child complete the summer workbook and turn it in to their teacher the first week of school. Summer time is an ideal time to discover the wonderful world of books. In addition to the workbook, find time to have your child pick up a book and read. Make reading a time of fun.

**Entering K5:**
